

*Discerning. Intelligent.  
Compassionate.*

**I am Laughlin, 3rd grader, and I am Ashley Hall.**

“ My teacher is wonderful and her classroom is awesome and exciting. Whenever you are in her class you know that she will help you through everything. She is not going to just say, ‘Here is the problem, here is the answer, now I need to go and help someone else.’ She is going to stay right there until you really get it and really understand what you are doing right and what you are doing wrong. You are going to learn something new everyday and I am excited to have her and to go to school every day. ”
