S O C I E T Y

The 1909 Society, Ashley Hall's oldest giving society, honors donors who annually give \$1,909 or more to the Loyalty Fund. The 1909 Society, founded in 1984 to mark the 75th anniversary of Ashley Hall, is open to the community and offers special benefits. Gifts from this leadership giving group comprise approximately 70 percent of all dollars given to the Loyalty Fund. We thank the members of the 1909 Society for their leadership, philanthropic contributions, and continued commitment to Ashley Hall.
