

CARPOOL DIRECTION INFORMATION

SMITH STREET

Carpool Direction for 5 year old and above campers

RUTLEDGE AVENUE

Carpool Direction for 3-4 year old EEC campers

1. During carpool times, please do not use northbound Smith Street (driving from Vanderhorst Street toward campus) as it becomes impassable. The correct flow of traffic is traveling eastward on Radcliffe Street and turning right to travel southbound on Smith Street to access the carpool line.
2. Please refrain from using Warren Street to access the Smith Street carpool line.
3. Please refrain from using Radcliffe Street to access the Rutledge Avenue carpool line. When Rutledge Avenue is congested, turning is challenging.

Please **DO NOT BLOCK INTERSECTIONS** and remember that not all traffic during carpool times is school-related. Finally, **PLEASE STAY IN YOUR CAR** and follow guidance from Ashley Hall Staff.
