The enrollment deposit is \$2,000 per student, or 10% of total tuition for families receiving financial assistance. (Maximum \$2,000)

New Student Registration Fee: For all new students, a one-time registration fee of \$1,500 per student is due by June 1, 2023, not to exceed \$3,000 per family in any one year.

Three Payment Options: Ashley Hall requires families to choose one of the plans listed below for the payment of tuition through Tuition Management, the online payment portal. Tuition Management accepts payment by credit card, electronic check, or paper check.

- **100% Option:** Under this plan, the full payment of tuition is due by June 1, 2023.
