

ASHLEY HALL

# 2023 HALLOWEEN CARNIVAL MYSTERY TREATS!

Mystery Treats are gift bags filled with great surprises collected from families before the Carnival. Volunteers work tirelessly to organize the many bags that arrive! The day of the Carnival, Early School through sixth grade students may walk through the Mystery Treat line in Davies Auditorium and receive their surprise! Upper School students may walk through the line starting at 2 p.m.

## Here is what we ask of each family in preparation for this favorite Carnival event!

- Please provide five Mystery Treat bags for giveaways. We ask that the expense be limited to \$5 per bag so that every student receives a similar bag.
- The bags may be filled with all kinds of treats, including (but not limited to!) stickers, markers, jewelry, soaps, erasers, pens, pencils, key chains, small toys, hair accessories, nail polish, lip gloss, silly bandz, etc. (For the sake of our students with allergies, we ask that you not include anything edible.)
- Sometimes the container is just as much of a treat as what is inside so be as creative as you want! We do ask that you remember Ashley Hall works hard to help support the reduction of plastic (and no glass please).
- Please indicate if the treat bag is appropriate for a boy, an Early School, Lower School, or an older student by placing a note on the bag.

Mystery Treats should be dropped off in the morning carpool line **Monday, October 23 - Thursday, October 26** OR in the Mystery Treat bins located in Pardue Hall and the Early School office. (Please note that this year we will not be collecting bags on the Friday of the Carnival.)
