

ASHLEY HALL EXTENDED DAY PROGRAM

Registration for the Extended Day Program is fulfilled on a first-come, first-served basis.

Registration is offered before the beginning of each semester. To register, visit the Learning Commons and select the CampBrain: After School and Summer Programs Resource Board. Please note that you are not required to create a new account for this program. CampBrain is linked to your Learning Commons account, offering a single sign-on option.

All Early School students who plan to stay after school must be registered for Extended Day, except those enrolled in the CUBS after-school program, which begins immediately after dismissal.

All K–8 students who plan to stay after school must be registered for Extended Day. Students enrolled in an AHAS session that begins between 3:00 and 4:00 p.m. do not need to enroll in Extended Day, provided they are picked up immediately after their AHAS program and do not return to Extended Day afterward.

Please note that the School reserves the right to deny Extended Day services to any student who is unwilling to cooperate fully with the director, staff, and fellow participants.
